

Dear Brother,

Our Scalabrinians Magazine is ready and soon it will be available to you. The Scalabrinians magazine, as we mentioned in our Online Assembly, will arrive at the Local Superior's Address. I ask the local superiors to please hand them out in your area.

We are also sending the link to our Province Webpage [www.scalabrinisaintcharles.org](http://www.scalabrinisaintcharles.org) Please check it out and share with your Parish friends and extended Scalabrinian family.

Please check the icon where it says LOCATIONS to see if the information of your parish, mission, or seminary is correct. If you have a new webpage for your parish, mission or seminary please send the new website link to: [info@scalabrinisaintcharles.org](mailto:info@scalabrinisaintcharles.org)

We are constantly adding new materials and news on our website [www.scalabrinisaintcharles.org](http://www.scalabrinisaintcharles.org) Please check it out and share it.

Please share with us photos and news from your parishes, seminaries and missions so that we can promote our work as Scalabrinians with everyone.

Regards,
